Under the IJPRAS Conditions for Website Use and the IJPRAS General Conditions for Authors, authors of articles published in IJPRAS journal retain copyright on their articles, except for any third-party images and other materials added by IJPRAS, which are subject to copyright of their respective owners. Authors are therefore free to disseminate and re-publish their articles, subject to any requirements of third-party copyright owners and subject to the original publication being fully cited. The transfer of copyright gives IJPRAS the right to develop, promote, distribute, sell, and archive a body of scientific works throughout the world.

The Author hereby grants and assigns to IJPRAS all rights in and to Author's work in and contributions to the Work. In connection with this assignment, the Author acknowledges that IJPRAS will have the right to print, publish, and create derivative works throughout the world, all rights in and to all revisions or versions or subsequent editions of the Work in all languages and media throughout the world.

I author of this manuscript warrants and represent that the work does not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the Work is factually accurate and contains no matter libelous or otherwise unlawful; that I have substantially participated in the creation of the Work and that it represents my original work sufficient for me to claim authorship. I further warrant and represent that I have no financial interest in the subject matter of the Work or any affiliation with an organization or entity with a financial interest in the subject matter of the Work, other than as previously disclosed to the Association.

I have the consent of each author to transfer and assign any and all right, title, and interest, including copyright of the article referenced above. I hereby assign and transfer to the IJPRAS copyright and all rights under it. I further confirm that this article has not been published elsewhere, nor is it under consideration by any other publisher. I will be responsible for my research work carried out, animals used for experiments, presentation and results expressed, also I have read the terms and condition of the website use and I am agree with the terms and condition of the IJPRAS website.
